

Sl. No	Name of Training courses	Duration	Strength /batch	Division offering the course	Fees
1.	Fishing technology	2 weeks	20	Fishing technology	Rs.3000+ST
2.	Turtle excluder devices and by catch reduction devices	1 week	20	Fishing technology	Rs.1500+ ST
3.	Fishery technology & extension methods	2 weeks	20	Fishing Technology& Extension, Information & Statistics Division	Rs.2000+ ST
4.	Operation & maintenance of cold storage plants	1 week	10	Engineering Division	Rs.2000+ ST
5.	Laboratory techniques for microbial examination of sea foods	15 days	8	Microbiology	Rs.3000+ ST
6.	ELISA technique for chloramphenicol	5 working days	5	-do-	Rs.5000+ ST
7.	PCR techniques for WSSV	5 working days	5	-do-	Rs.5000+ ST
8.	Microbiological assay for antibiotic residues including four plate technique	5 working days	5	-do-	Rs.5000+ ST
9.	Fish processing technology	2 weeks	15	Processing Division	Rs.4000+ ST
10.	Production of value added fish products	1 week	10	-do-	Rs.4000+ ST
11.	Battered & breaded products	1 week	10	-do-	Rs.3000+ ST
12.	Modern analytical techniques in Biochemistry	10	5	Biochemistry	Rs.5000+ ST
13.	Isolation and identification of Bacteria of Public Health Significance	5 working days	15	Quality assurance & Management division	Rs.15000+ ST
14.	Sea food quality assurance	10 working days	15	-do-	Rs.15000+ ST
15.	HACCP concepts	5 working days	20	-do-	Rs.10000+ST
16.	IS/ ISO 22000 (residential programme)	5 working days	20	-do-	Rs.20000+ ST
17.	Water Analysis	(Chemical + Microbiological)	15	-do-	Rs.8000+ ST
18.		Chemical only		-do-	Rs.5000+ ST

19.		Microbiological only		-do-	Rs.5000+ ST
20.	HACCP Manual Verification	5 working days		-do-	Rs.5000+ ST
21.	HACCP Audit Training	5 working days	20	-do-	Rs20000+ ST (Including Accommodation & Transportation)
22.	HACCP Certification (2 years)			-do-	100000+ST
23.	HACCP Certification (Renewal) (2 years)			-do-	60000+ST
